Christmas Dinner

This will be served in school on Friday, 15th December. Please note; there will be no sandwich or 'green band' option on this day. All children on school meals, and those on packed lunch who have requested a dinner will receive a turkey dinner. Quorn dinners will be served to those children who are recorded as being vegetarian.

Athletics

On Tuesday, our Y3/4 Athletics Team travelled to East Durham College.

This was the first time this event has been run and it is hoped that it will help prepare our young athletes for the Y5/6 competition later in their primary career. The format of the event is such that points from individual track and field events are combined to give a final team total.

With over 300 children taking part it was a very busy afternoon; our pupils displayed determination and some amazing teamwork; they were a credit to themselves and the school.
