Stars of the Week

Due to our busy week with school performances star pupil and star writer will be back next week.

On Wednesday the children in Years 4, 5 and 6 performed a Christmas Brass Concert for parents and carers. What a show. Mr Hind always produces something magnificent and this year was no exception. Well done to our talented players!

Our choir started their care home visits on Friday 8th, performing a selection of Christmas Carols to the residents. The visits will continue this Wednesday and Friday. The performances are always so well received.
