

School Council Legacy 2023-24

This year, school council worked hard to ensure that our voices were heard in school.

We began by introducing the 'Your Voice Matters' box which brought us the excellent suggestion of starting a school tuck shop.

Since launching 'Trinity Tuck Shop' in June 2024, we raised a whopping £500 to develop OPAL.

We hope this success continues and is a lasting legacy of this year's school council.

Special thank you and well done this year's fantastic councillors:
